

Greendell Landscape Solutions

From the ground up.

Greendell Landscape Solutions would like to extend a new form of fundraising to your organization. The Greendell Give Back Program is a hassle free way to earn money for an array of events or organizations. We started this program specifically for our local churches and have come to realize how much more simple it would make the lives of those who participate in fundraising.

We start with setting up your organization in our computer system with a specific account. By doing this we can keep track of the 10% of their purchase that will come back to your organization. Any and all products purchased at retail level will be included in this program.

It is up to you to decide how long your fundraiser will last. All checks will be given out in November as of now, this gives your organization from November 1st of 2016 until October 31st of 2017 . We suggest marketing from spring to fall considering those are the seasons in which we have the greatest amount of product to offer. Whether your member is looking for mulch, flowers, gardening tools, hardscapes, statuary, or has come to one of our annual events, every item purchased will play a role in the check we present to you in November.

Greendell, however, is still offering its bagged mulch fundraiser which can be used hand in hand with the Greendell Give Back Program.

It is imperative to many, including Greendell, that we as a community support each other in order to thrive and keep our lives as peaceful as possible. By participating in the Greendell Give Back Program you are not only supporting your organization, but your community as well.

We hope to assist you in any way possible and would like you to stop by or give us a call with any and all concerns.

Thank you!
